# FEITSHANS HIGH SCHOOL

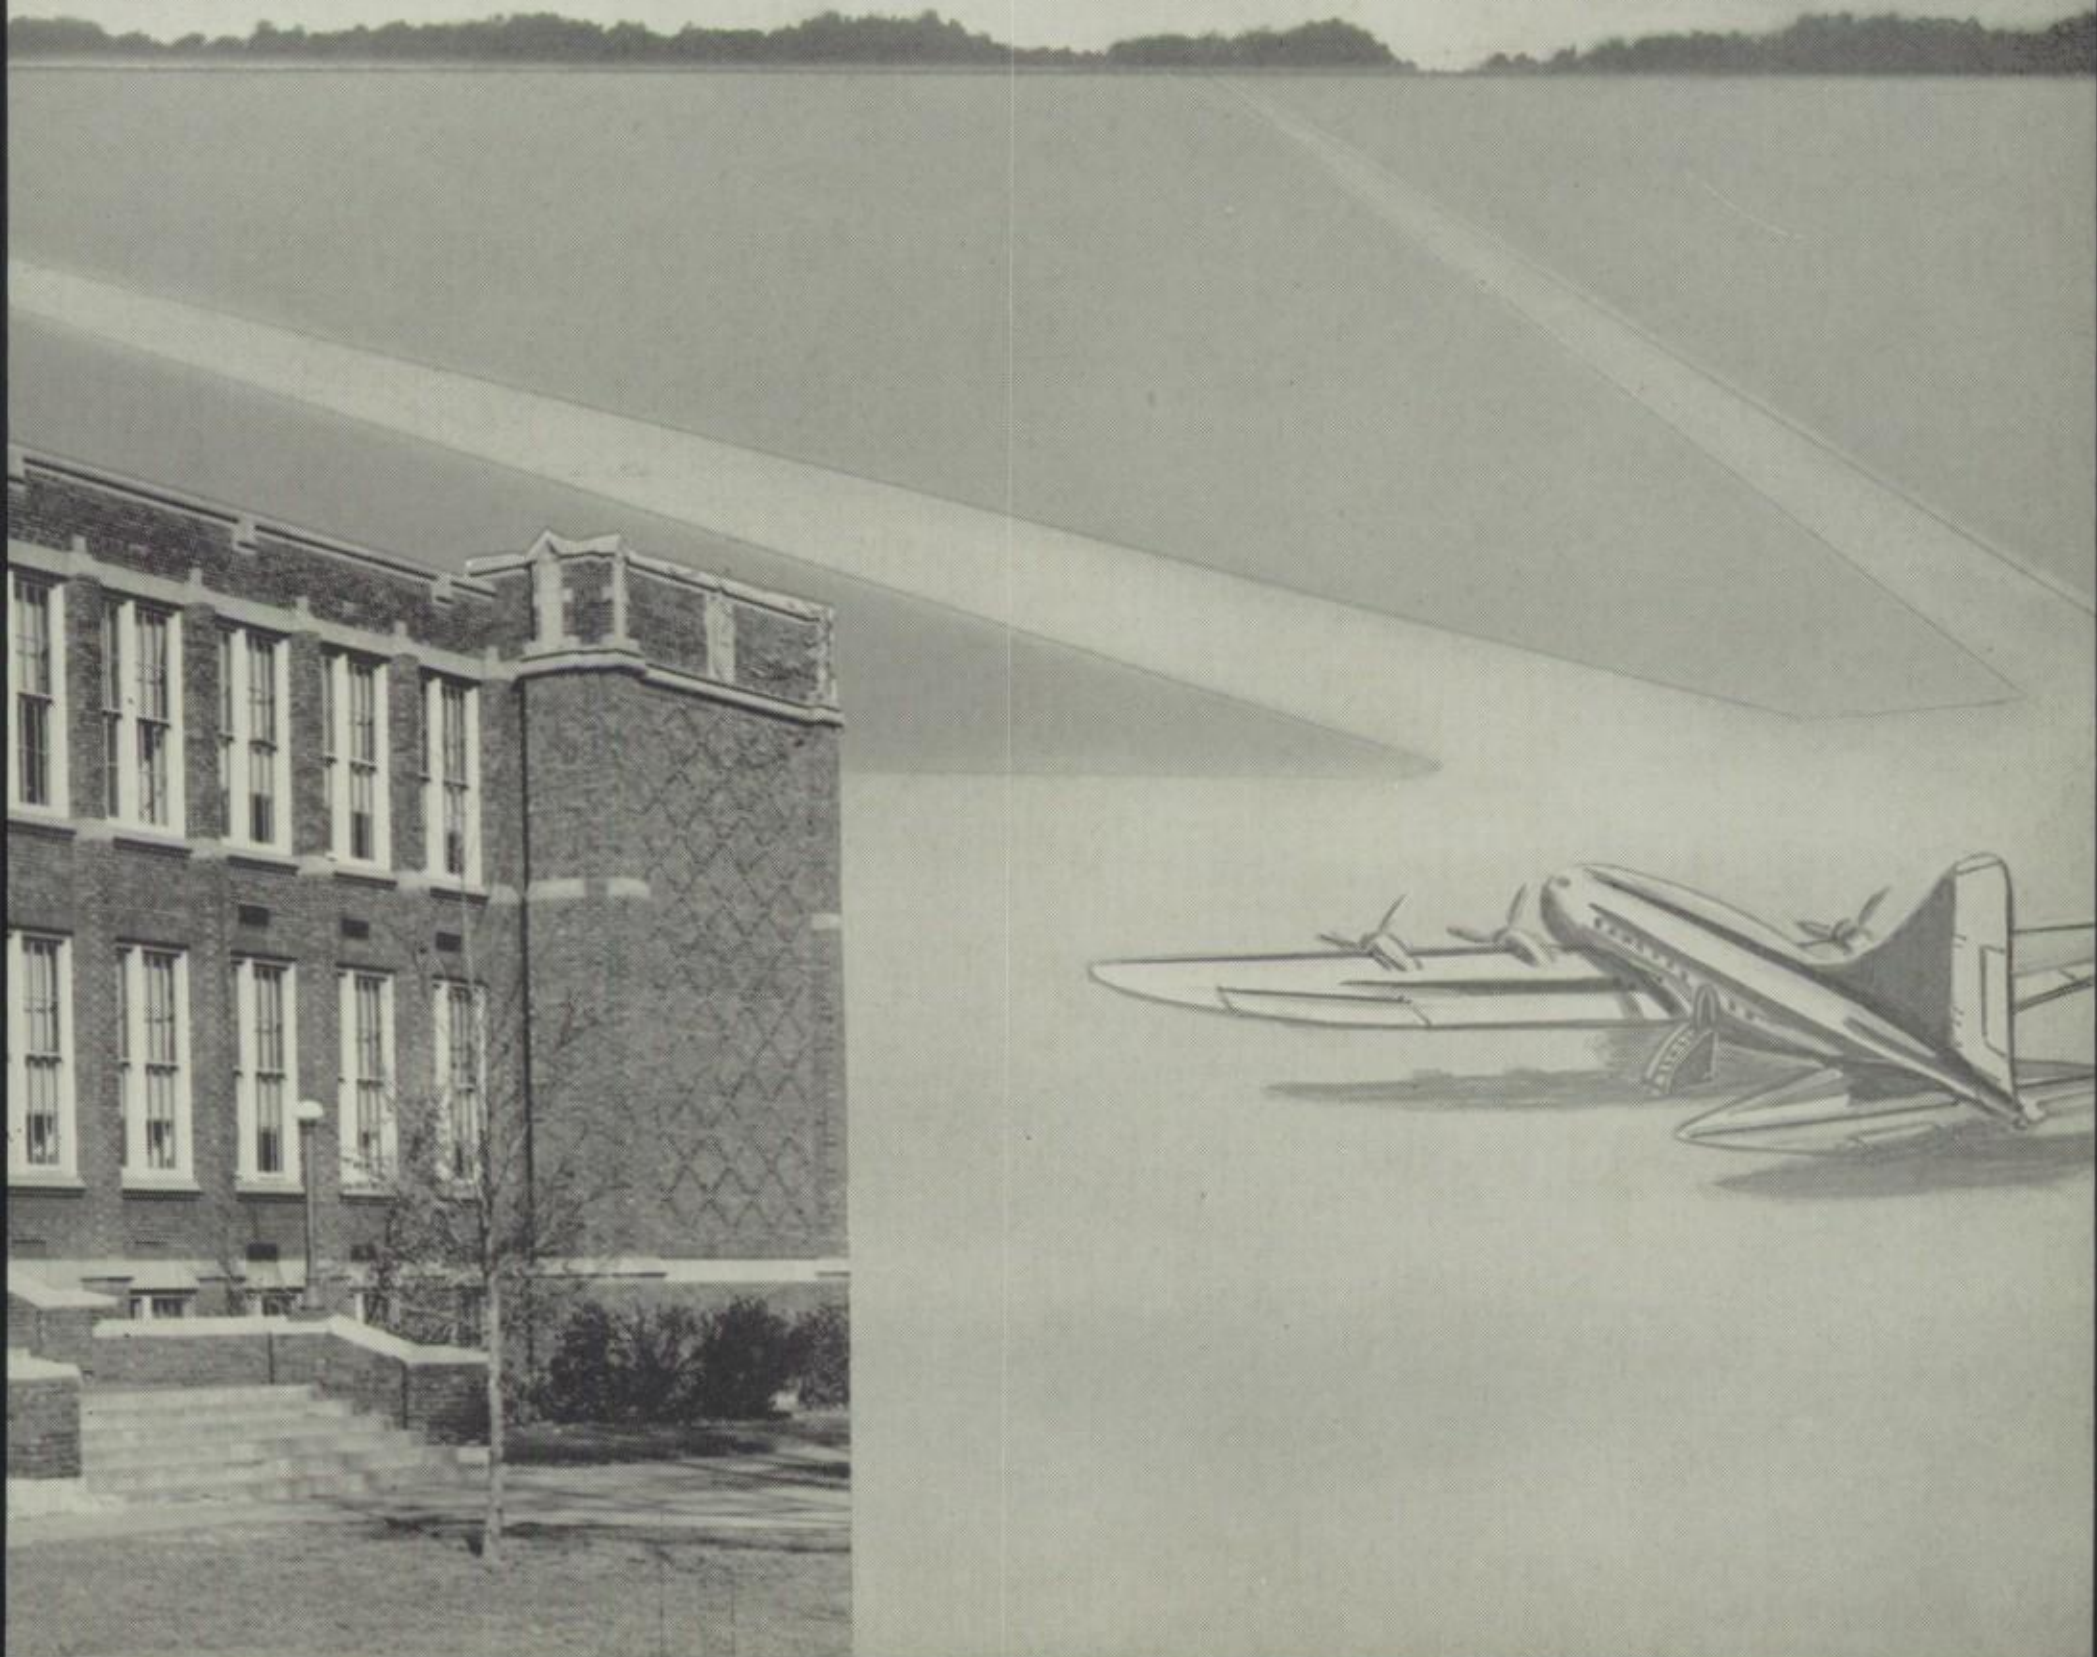

# SPRINGFIELD, ILLINOIS

"Thinkers and airmen—all such  
Friends and pilots upon the edge  
Of the skies of the future—much  
You require a bullet's eye of courage  
To fly through this age."

# SCHOOL LIFE

"Six studies for me!"

"Big-wheel Senior—poor Cootie."

What a wonderful vacation—AND THEN—  
September 6—School bells are ringing—

Registration—"Do I have to take that?"—

Freshmen getting pushed around and saying  
"Where is Room 7?"—Brr—It was so cold

at the stadium, but a few rumbas and  
waltzes got us all steamed up for those  
swell after-game dances.

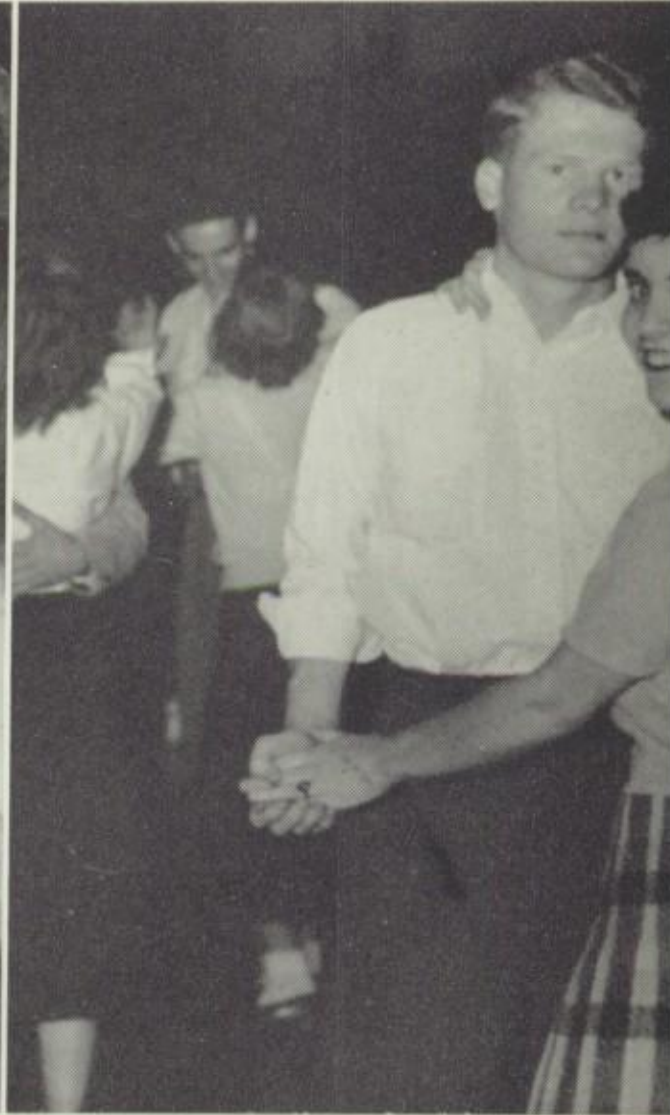

("Swoon - Swoon," says Barbara!)

# BEGINS AT F.H.S.

"The game's over—win or lose—let's dance."

**BETTER GRADES,  
WE HOPE!**

**HOW WE LIKED  
ASSEMBLIES.**

**AND ONE MUST  
EAT!!!**

"Gotta big test tomorrow?"

Although we carried an apple all the way to school, it was too little and too late most of the time. Still, we got to go to those swell assemblies even though we had low grades and occasionally visited the dean for little "chats." We always looked forward to 11:30 when we piled our plates sky high with "goodies." Driver training brought headaches sometimes when we were confronted with such a task as changing a tire.

"In a hurry?"

"Some eat to live—I live to eat."

"That's a woman for you!!"

## DRIVER TRAINING BROUGHT HELPFUL EXPERIENCES.

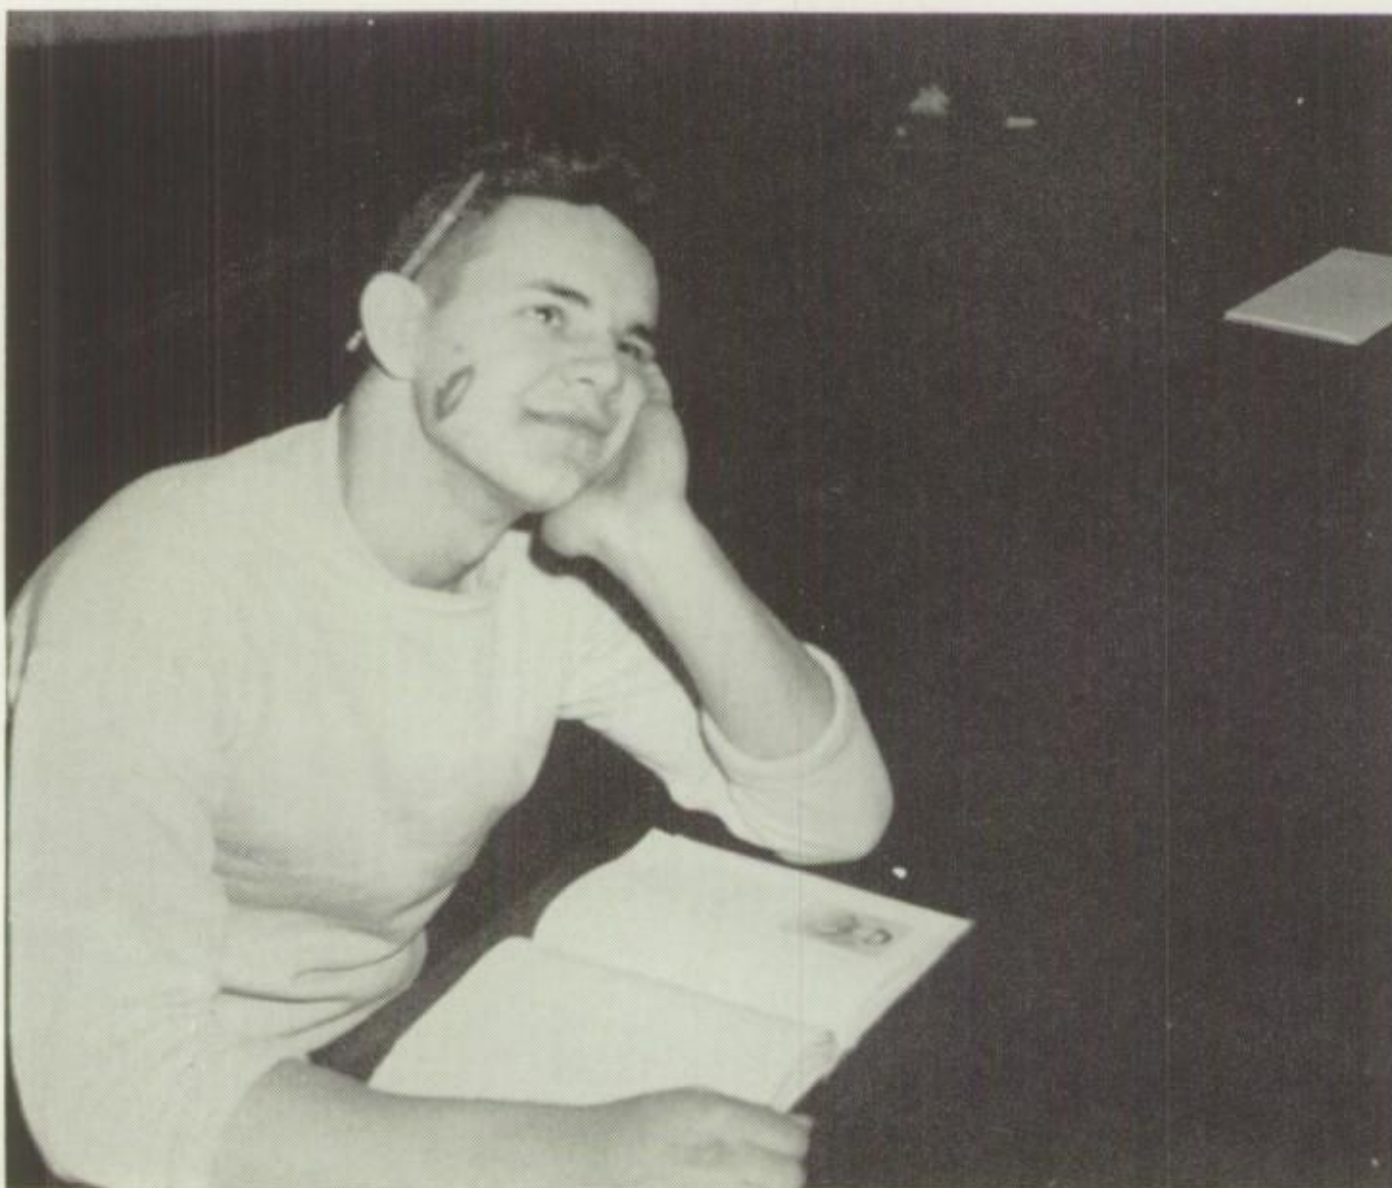

"Time will pass — will you???"

## NEXT TIME YOU'LL KNOW BETTER!

# A GLIMPSE OF GOOD TIMES AND PREDICAMENTS

"I can dream, can't I???"

"Chivalry is dead — —

"Bring on the mistletoe."

"Isn't love grand???"

## WE'LL NEVER FORGET

— get up Rosemary!!

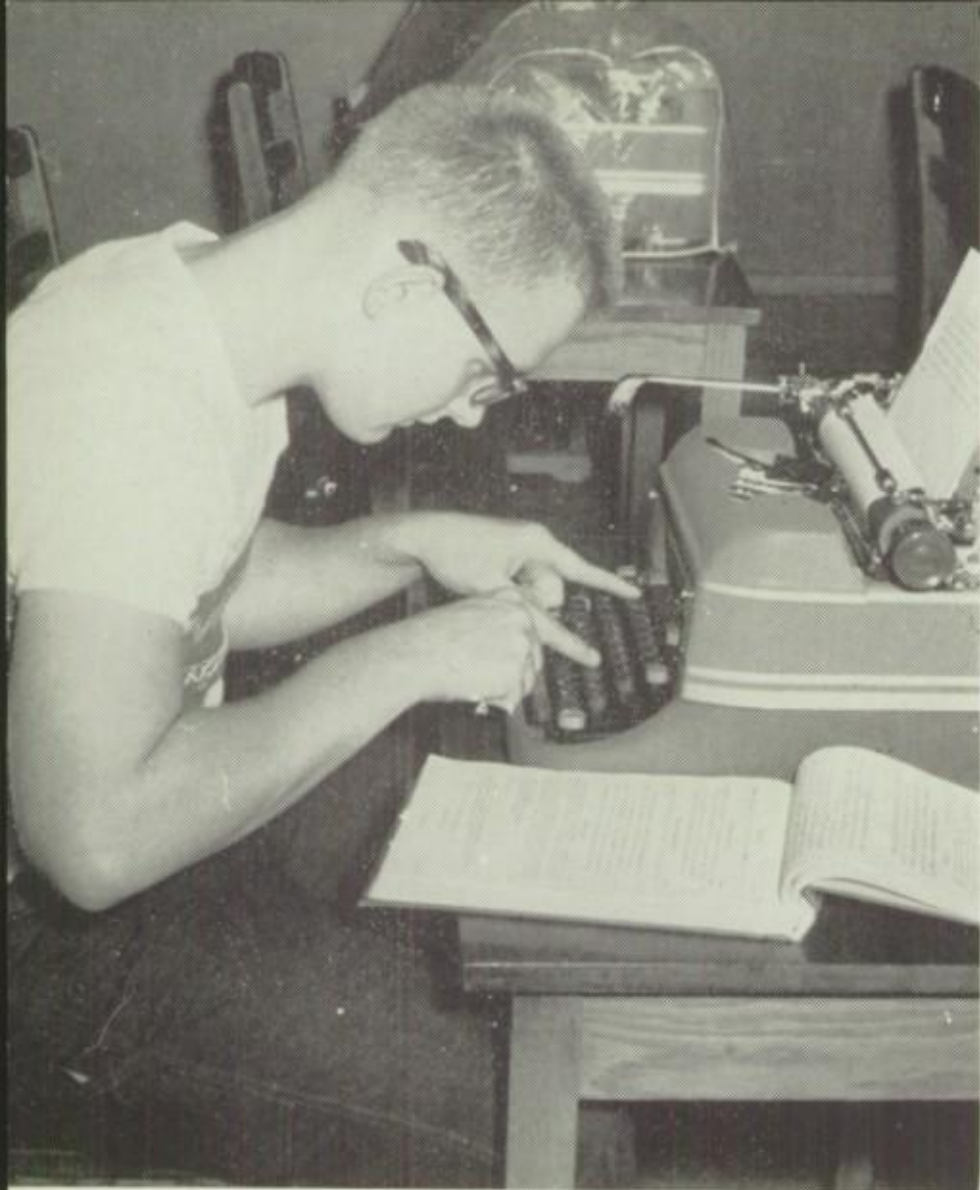

"Dream stuff."

How often we sat in a classroom or with our best girlfriend (or boyfriend) and thought about everything except studying. Or, remember the time we decorated the Christmas tree? What fun!!!! And how about those formal affairs (proms) we attended?

Gee, weren't they wonderful? A few stop-and-go lights at our corners might keep accidents from happening!!

"Columbus system—discover and land!!"

Study! Study! Study!—"t-a-c"  
 spells cat—Speech class—that's  
 what they call it, but can you  
 imagine me reducing just to be  
 the heroine in a play!! I like my  
 chocolates too well—H<sub>2</sub>S—  
 What does it mean? Got me!  
 But oh what odors we get in our  
 halls—Gads, I wonder what the  
 boys are cookin' this time??  
 Smells like somethin' burnin'.

## SOMETIMES WE STUDIED

"Ah-h-h-h-h!"

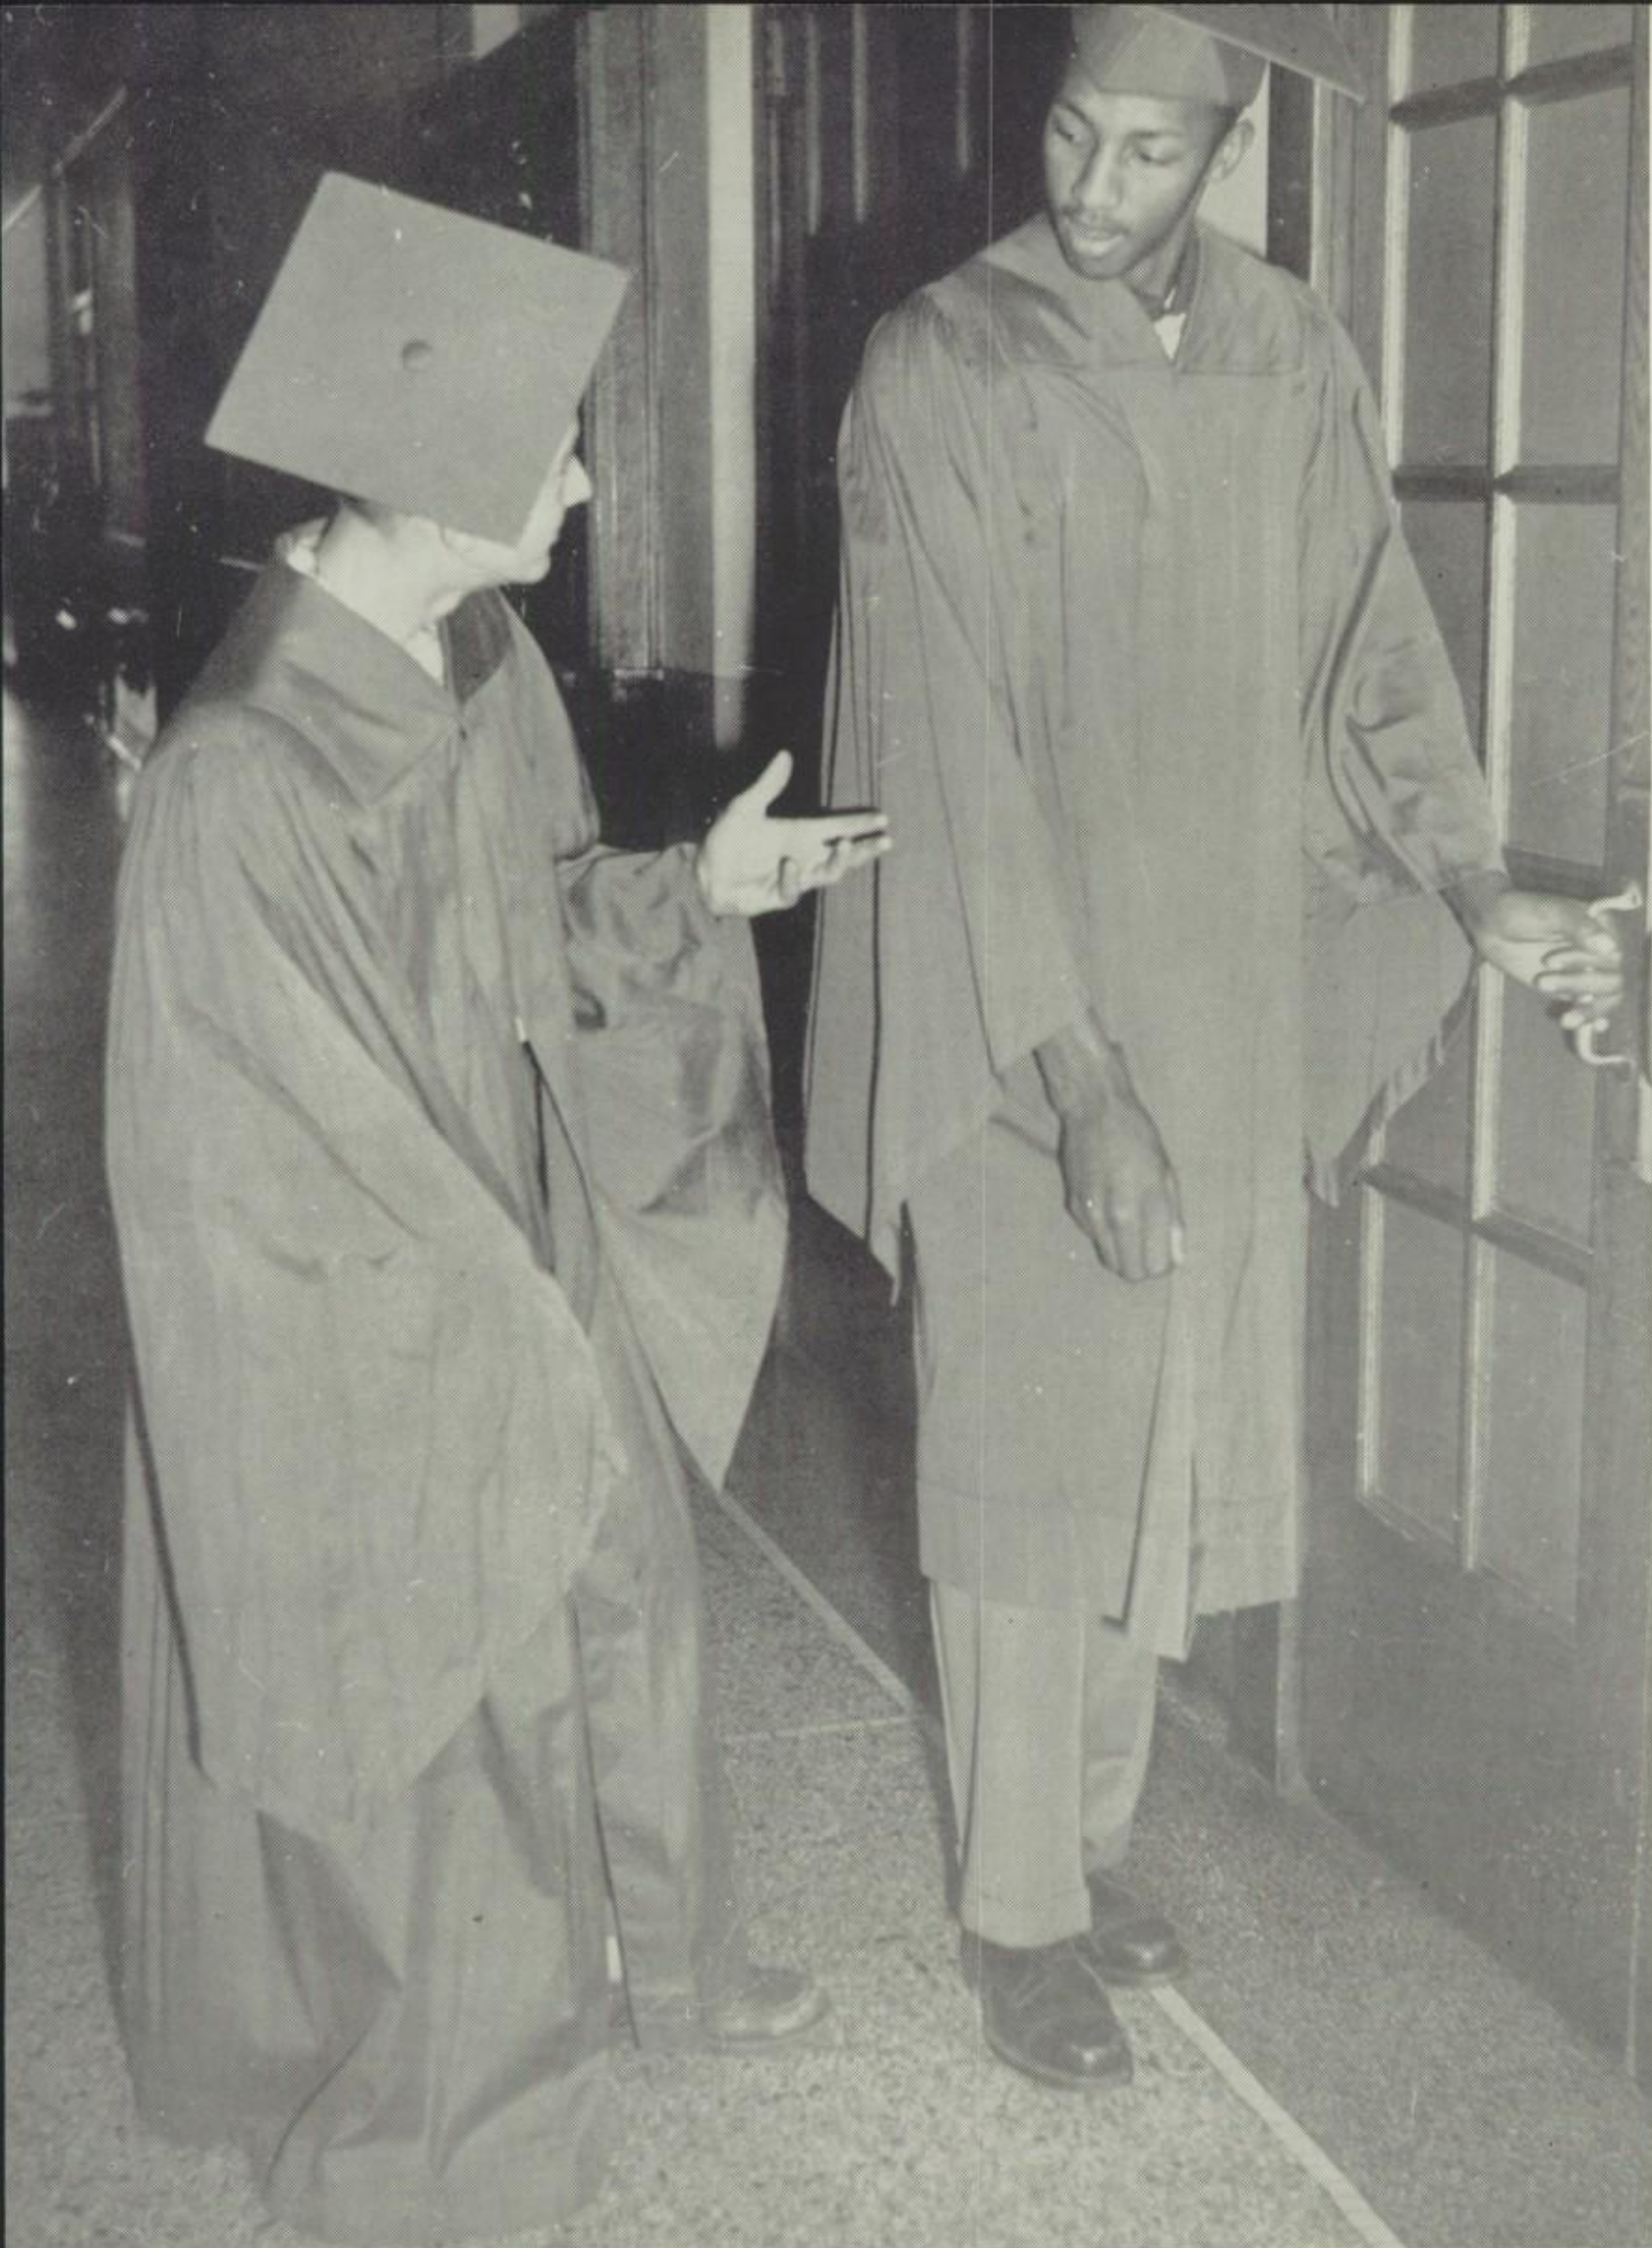

"No thanks—I've had lunch."

"They 'had-a-col' if somethin'."

"It wasn't supposed to end like this!!!"

**AND FINALLY THE CLOSING DAYS.**

EARL W. WAX, PILOT

During Mr. Wax's two years as principal of F.H.S., he has made an enviable record in demonstrating how a school can be run efficiently, yet with a minimum of commotion. His friendliness and intense interest in all student problems and student activities has earned for him the respect and loyalty of every F.H.S. student.

## CO-PILOTS

**ELIZABETH COGSWELL**  
Dean of Girls

**CLYDE McQUEEN**  
Dean of Boys

Geel I really didn't know Miss Cogswell did so much. She helps the girls with all their problems and really puts them "on the beam" in getting the right amount of credits so everyone can take that great step of graduating. She also finds time to act as sponsor for the National Honor Society and Girls' Club.

Got a problem boys? Maybe you should see your dean, Mr. McQueen. He's swell about helping you solve your hardest problems and is always ready to help on your schedule. Among his other activities, he is our Student Council sponsor, and boy, does he like to go fishing!!

Cliffordine Mountz, Doris Helphinstine

## COMMUNICATIONS OPERATORS

Our office staff plays a very important part in our school of Feitshans High.

Miss Mountz is the school's bookkeeper as well as Mr. Wax's secretary, and she attends to dozens of other duties.

Did you receive a white slip signed "D. H."? Guess who? Yes, our attendance clerk, Mrs. Helphinstine.

We are all grateful for their fine, accurate work.

"What power of concentration!"

The high standards of scholarship that are maintained in Feitshans High School and the ideals of democratic citizenship that have been so firmly established are largely due to the caliber of the teaching staff.

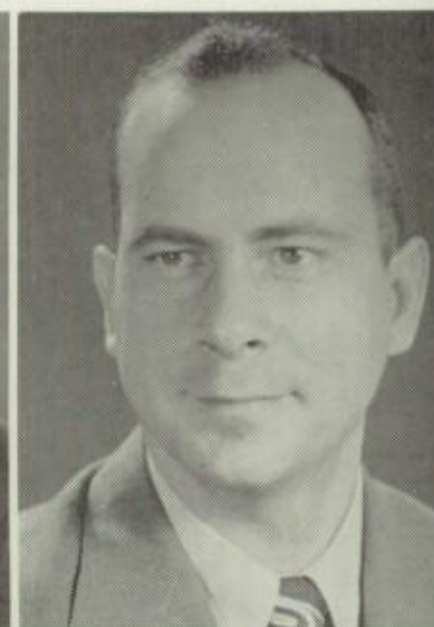

Comprising thirty-eight members, the Feitshans faculty is one of which the students may well be proud. All members are highly trained in their respective fields; many possess graduate degrees; most of them have had years of experience in working with young people.

"News and Current Events!"

Through the deep personal interest that they take in their students, these instructors have succeeded in creating a very happy teacher-pupil relationship, a camaraderie so to speak, that is often remarked upon by visitors to our school.

As evidence that they want to keep abreast of educational trends in other lands, to be up to date, many of our teachers are continuing their study. Some are enrolled in extension courses; June will find others on university campuses for the summer session.

Yes, we at Feitshans can point with pride to our teachers. Of them all, we can truly say, "They are our guides, philosophers, and friends."

During the evening we saw all the shows—"Georgious George" was George Hughes. (Oh, what muscles?) We had a very interesting play which was called "Maker of Dreams." Included in the cast were: Jackie Ragland, Henrietta Haws, and Margaret Goldsberry. One room was used for our fortune tellers. (Guess who?)—Mrs. Potter and Mrs. Blaeuer. The cards will tell on you!

## FUN, EXCITEMENT, AND THRILLS

In the gym there were such things as: free throwing, auctioning of prizes, selling confetti, balloons, and all other noisemakers.

At 10:00 p.m., the most exciting moment of all, our ten lovely maids and their escorts, followed by our charming queen, Jo Ann Capella,

and her escort, Ronnie South, made their debut in the auditorium. George Hughes, all-city student council president, crowned our queen in a very impressive ceremony.

At 11:30, the fun and merrymaking was over, and oh what a wonderful time we had!!!

"Sing it sweetly!!"

"Candy will make you fat!"

# FOLLOW THE FUN!

We are the music-makers,  
And we are the dreamers of dreams,  
Wandering by lone sea-breakers,  
And sitting by desolate streams;  
World-losers and world-forsakers,  
And whom the pale moon gleams:  
Yet we are the movers and shakers  
Of the world forever, it seems.

## MARCHING BAND

The first thing you notice about our wonderful band is the four high-stepping majorettes. They are an important part of the band personnel. Everyone enjoys seeing them perform at football games and parades, for they certainly look nice in their snappy blue and white uniforms.

## A CAPPELLA CHOIR

Under the direction of Miss Matlack the A Cappella choir, a group of selected voices has had an eventful year, participating in numerous local appearances, the Christmas Vespers, when they did their version of Handel's "Messiah," and the Spring Concert. It is one of the leading and most important organiza-

tions of the school. Robed in blue, and a cherry smile on their faces, they make an impressive appearance wherever they perform. The Choir never fails to thrill their audience when they sing their lovely theme song, "The Lord Bless You and Keep You."

"Miss Matlack and Her Ensemble."

"It won't be long now!"

## GIRLS' CHOIR

Ah, yes! That's the melody strain from the Girls' Choir that you hear every other day in your sixth hour class. In this choir the girls become acquainted with part singing and learn to read notes. It is usually composed of Freshmen and Sophomores. Under the capable direction of Miss Matlack, the Girls' Choir is very well known in our school.

The Second A Cappella Choir now consists of a group of boys and girls chosen by Miss Matlack, the choir director. In Second A Cappella these students will learn to use their voices so that some day they will be part of our fine A Cappella Choir. The training they are receiving will assure us a finer and better A Cappella in the future.

# PRESENTING A "TOP-FLIGHT CREW" WITH OUR

Immediately after school resumed, so did the work on a bigger and better 1951 yearbook. There is a great deal of difficult work in composing an annual. Planning the initial layout, choosing the general theme, scheduling, proportioning, identifying pictures, writing copy

for each page, selling advertising, and selling the annuals themselves, are a few of the many problems which confront an annual staff. The publicity campaign was initiated by a comic assembly for the promotion of co-operation between staff and student body in the procurement of pictures and subscriptions. This was planned by Mrs. Erickson, the faculty sponsor, and carried out by the staff members. A great deal of credit must be given to Mrs. Erickson, as she has contributed many hours of hard work and concentration towards the publication of this book.

The Senior Class of 1951, Mrs. Erickson, and the Log staff hope that you will thoroughly enjoy this book now and find even more pleasure in it in the years to come.

Some of its activities this year were: student directory, state and district conventions, pencil-basketball schedule sale, variety show, first-aid equipment, building cleanliness campaign, and after-game dances.

The Student Council consists of members elected from each homeroom and four appointees by Mr. Wax. The group meets regularly once a week with Mr. McQueen as their advisor.

## D. E. CLUB

The D.E. Club is composed of 16 Seniors from F.H.S. This program is made up of a combination of job experiences and classroom instructions for those interested in retailing.

The officers are: Pat Bregowy, president; Mariann Small, treasurer; Edith Dowis, secretary.

### LAS AMIGAS Y TEENS

The Las Amigas is an organization affiliated with the Y.W.C.A. in which any high school student can belong. Charitable donations and wholesome recreation have been the main features during the year. ## DRAMATICS CLUB

Romeo!—Wherefore art thou???

This is what you might hear if you should visit the Dramatics Club meeting. Oh! Be careful not to collide with the student with the book on her head; she is learning to walk. Many people admire an actor or actress without ever realizing the hard work it takes to become

one. Walking, expression, poise, and voice are a few of the many things which must be mastered to make a play a success. These students are all amateurs now, but under the guidance of their advisor, Miss Yonick, who knows! After all, Clark Gable and Lana Turner had to start someplace too, you know!

"I wonder what she's building!"

"Let's get on the beam."

Back Row: D. Terrell, D. Higgins, W. Dowis, S. Brown, H. Haws. Fourth Row: J. Rychel, P. Pilcher, S. Fry, P. Kublick, P. Cronnister. Third Row: B. DeCroix, S. Smith, M. Chapman, M. Powell, P. Yeaman. ## FUTURE HOMEMAKERS OF AMERICA

Under the direction of Miss Bressan the F.H.A. chapter of Feitshans High School has worked to gain definite standards by following the club's motto, "Toward New Horizons."

The girls in this organization have contributed to some share in its growth by participating in radio programs, school assemblies, entertaining at parties, promoting better rela-

tionship in school, cheering, and distributing safety posters for state F.H.A. and useful programs at football games. Every member is working for a better chapter and greater membership.

Qualifications for membership are few. A girl must have one semester of Homemaking with passing grades and a definite interest in promoting the work of the club.

"Presenting the United Nations flag."

"Passing out Football Programs—our specialty."

## ASSEMBLY COMMITTEE

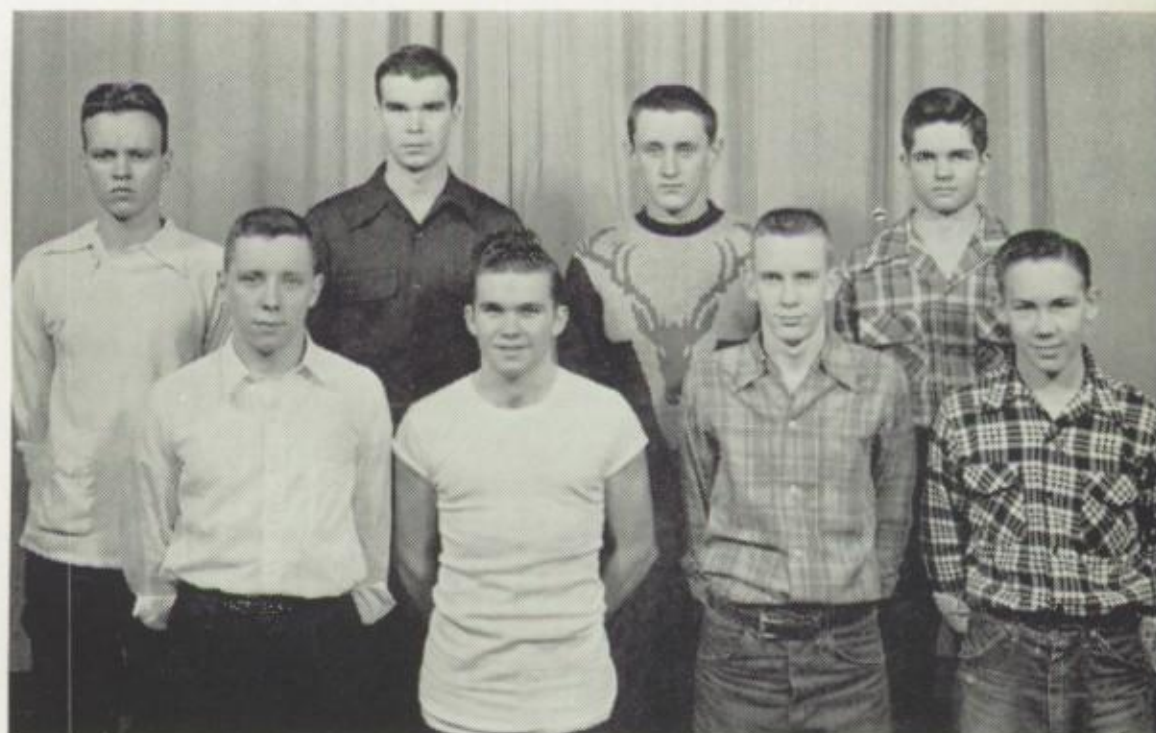

Did you enjoy that assembly? Guess who planned it—the Assembly Committee. It's not as easy as you think to plan an assembly that all the students will like. It's really hard work.

We would like to express our thanks to the Assembly Committee for the entertaining and interesting assemblies for '50 and '51. Back Row: H. Haws, M. Bly, E. Cherney, B. Pastche, R. Krushall. Front Row: Miss Cothren, Mr. Heiden, Miss Body, M. Peter.

## NATIONAL ATHLETIC SCHOLARSHIP SOCIETY

"Pilot to all lettermen. If you will maintain an average of 3.5 you will be eligible for the National Athletic Scholarship Society." These boys gain much recognition for their hard work, and their Society pins are presented to them in an assembly at the close of the year. Back Row: A. Inkster, P. Robinson, L. Urbas, G. Meidel. Front Row: R. South, G. Hughes, L. Evans, H. Janet.

## BLUE AND WHITE

Flash!! "Joe quit Mary and is now an honorable member of the Bachelor Club." This is the kind of news you get in the Blue and White. There is no reminder of World affairs, just local news which may be referred to as "gossip." The staff is headed by the capable direction of Albert Inskter. Back Row: B. Henson, D. Andersen, J. Dunavan, R. South, V. Benedict. Front Row: J. Ragland, M. Chapman, A. Inkster, N. Dietrich, D. Kitsch.

Back Row: B. Spence, F. Blahofski, T. Johnson, E. McNulty, J. Smith, G. McLaughlin, J. Skufca. Second Row: M. Schultz, Coach; G. Meidel, A. Inkster, R. Sabo, D. Andersen, J. Hayes, M. Spence. First Row: J. Spocnamore, J. Smith, J. Moffett, C. Hartley, L. Evans, R. South, G. Hughes.

## HI-Y

The Hi-Y has been an outstanding organization at Feitshans in the past few years. This year the boys sponsored a dance in December, "The Holly Hop".

To be eligible you must be a Junior or Senior boy possessing scholastic ability, be an out-

standing citizen of the school, and be a member of a church.

Mr. Schultz is the advisor and the officers are Albert Inkster, president; Melvin Spence, vice president; Ronnie South, secretary; and George McLaughlin, treasurer.

"Hi-Y Project Completed."

"Ouch! That hurts!"

## HOME ROOM LEADERS

The home room leaders are elected by each home room and act as chairmen in conducting the business meeting in home room. They indeed, deserve the honor bestowed upon them by the home room members who elected them. Back row: B. Nicks, C. Timms, A. Inkster, E. Luttrell, A. Connor, R. Wallace, R. South. Second row: E. Ausmus, M. Bly, B. Harding, P. Bregowy, J. Fox, J. Spencer, D. Frank. First row: R. Kane, R. Scott, M. Ruch, L. Lufkin, D. Hubbs, M. McClure, F. Wright.

## CAFETERIA STAFF

"Two sandwiches and a bottle of milk." This is the kind of orders the cook's helpers get. These people make the sandwich line more efficient which makes it dissolve faster.

The girls have the cooking room at their disposal, while the boys get their noon-day nutrition in Pop Wilson's room. The helpers are: M. Wilson, G. Watts, W. Sprague, H. Haws, and W. Krimmel.

## CAFETERIA STAFF

The boys and girls who work in the cafeteria are the chefs of tomorrow. They keep the hot "taters" at the cook's side.

Though their work looks easy, they work hard (but they have fun) to please the patrons of the cafeteria.

They are, left to right: D. Rehwald, B. Thompson, E. Lamken, A. Wilson, E. Neuber, E. Sandidge, and J. Jones.

Mrs. Power, Mrs. Blauer, Mrs. Trautman, Mr. Wax, Mrs. Lauterbach

## FEITSHANS P. T. A.

The P.T.A. is a social organization of parents and teachers. Their object is to promote child welfare in the home, school, church, and community, and to bring in closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child. The officers are: Mrs. John Trautman, president; Mrs. Clarence Spence, vice president; Mrs. J. T. Power, secretary; Mrs. Emil Lauterbach, treasurer.

The largest project for the year was the carnival, which was held in November. After meeting their budget for the year, the proceeds were donated to buy band uniforms.

## FEITSHANS MEN'S CLUB

The Feitshans Men's Club is a non-profit organization that was started in 1948. This year they put on their second annual variety show and they donated to the football and band funds. They also appropriated money to buy records for the amplifying system.

Though their club is small, but growing, their deeds are large and we cannot thank them enough.

The officers are Mr. J. Smith, president; Mr. L. Evans, vice president; Mr. H. Mullen, secretary; Mr. E. Coffinbargar, treasurer.

Mr. Evans, Mr. Wheeler, Mr. Smith, Mr. Mullen

## CAFETERIA STAFF

When the clatter of pots and pans start reaching the ears of the students in the study hall, they know lunch will soon be ready. On the second floor, the freshmen are playing Sherlock Holmes, trying to detect from the many aromas what will be on the menu.

We hope we can have our lunches prepared in the same appetizing fashion to which we have become accustomed.

R. Devlin, Director; C. Krug, A. Bowman, M. Moffett, B. Turley

Back Row: J. Wolf, M. Bromfield. First Row: A. Nika, L. Pollett, W. DeFrates

## MAINTENANCE STAFF

We give our thanks to the men who take care of the grounds and buildings. The tasks they perform are the essentials that bring about a well-organized system, and the work that they do to make the school attractive and to keep it in repair cannot be minimized. We are grateful to them for their help in providing us with a school of which we can be proud.

## FOOTBALL

This year's football team had its ups and downs. They showed flashes of brilliance and looked ragged at other times. The highlight of the season was a 21-20 loss to our bitterest rival, Springfield, in which the boys fought all the way. The Flyer machine functioned smoothest against St. Theresa in a 46-18 victory. They finished the season with a 6-3 record and held second place in the Central Conference.

Frank Blahofski, who received honorable mention on the all-state team and George McLaughlin, a glue-fingered end, were selected most valuable player and captain respectively by the team. McLaughlin was the people's choice for "Mr. Touchdown" of the Springfield area.

## FRESHMEN WIN CITY TITLE FOR SECOND CONSECUTIVE YEAR!

For the second consecutive year, our Freshmen football team took the city title. The Flyers were handed only one defeat, a 14-13 loss to Springfield which they avenged later in the season with a 2-0 victory. Looks as if some mighty fine material is coming up to the Varsity. Watch out for the Flyers in '52 and '53!

The boys had a lot of fight, worked hard at practices, and gave everything they had in every game. They really earned their Freshmen numerals.

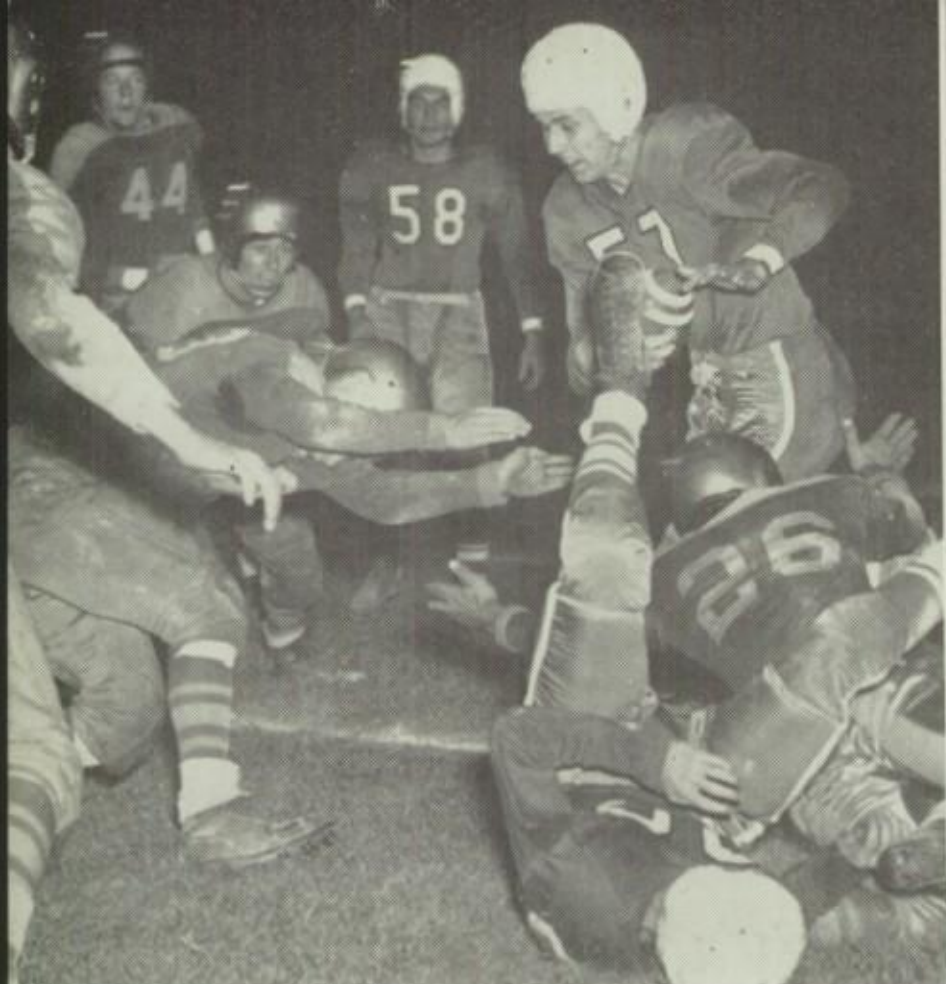

Mr. Carpenter should be complimented on the way he took a bunch of boys who hardly knew offense from defense into the power house that the team was at the end of the season.

## FIRST IN CENTRAL CONFERENCE

"With that play, coach, we can't lose!!"

The Feitshans Flyers, coached by LeRoy Halberg, recorded one of their best seasons in the history of the school by turning in a record of 20 wins and 5 losses. The Flyers lost to Lincoln in a close game on the Railsplitter's court, but then came back and won 5 out of their next 6 games, losing to Staunton 51 to 39. The Flyers were again in the Taylorville Invitational Tourney, but this time took second place after a thrilling hard-fought game, with Taylorville coming out on top 57 to 55. The next week the Flyers entered the city tournament and won 2 games, beating city rivals, Cathedral and Lanphier, before losing to archrival, Springfield, 50 to 45. After city tournament time, the Flyers won 7 games before Jim "Bones" Jones graduated; but Paul Robinson continued to pour the points through the hoop at a torrid pace, scoring 439 points in the regular season. Harry Daugherty played a tremendous floor game and Joe Angeli did a good job of filling Ushman's shoes. The team won the Central Conference and placed second in the city, and gave everything they had in every game! Congratulations, boys!

## JUNIOR VARSITY

The Junior Varsity, coached by Bob Carpenter, had a winning season, turning in a record of 14 wins and 9 losses. They beat such teams as Springfield, Mt. Pulaski, Athens, Clinton, and Lanphier. The boys will furnish some good varsity material in the coming years.

The Freshmen basketball team this year had a pretty tough schedule, but managed to defeat Springfield and Cathedral in their 6-game season. Coach Marvin Schultz's boys were much better than the record indicates and should be plenty rough in a few years.

Back Row: B. Applegate, G. Bates, B. Schneider, J. Bretz, D. Dodd. Third Row: J. Meidel, B. Gushes, J. Lockhart, O. Farris, H. Spain. Second Row: K. Carter, R. Winston, B. Knox, C. Homeier, T. Warner. First Row: Robert Carpenter, Coach; B. Remack, K. Wade, R. Merriweather, A. Vollmer, Manager.

## CHEERLEADERS

"C'mon kids, yell!!" That's what you will hear at all our games. School spirit is a major feature in the life of every institution of learning. To promote this spirit, our cheerleaders have been present at every game to urge our squads onward to victory. Constant practice and expert guidance, under the direction of Miss Daly, have made F.H.S. cheerleaders the best.

Cheerleaders are indispensable to the morale of any team and our cheerleaders did a fine job of boosting our team's morale.

## BASEBALL

The national pastime was revived at Feitshans this year when fifty boys turned out for Coach Halberg's call for players. Among these were four returning lettermen who are: Paul Robinson, Bernard Bennett, Larry Evans, John Locker. A few of the boys who show promising signs are: Bob Patterson, Otis Farris, Buddy Spence, Kenneth Carter, Harry Daugherty and Jack Marx. This year we lacked playing experience and Robinson started the season with an ankle injury, but we have high hopes of finishing the season victoriously.

J. Skufca, G. Meidel, G. Anderson, B. Felber, G. Lord, B. Matlack, Mr. McQueen, Coach.

## GOLF

The Feitshans High School golf team, led by their captain, John Skufca, won the all-city golf tournament in the spring of 1950 by defeating Springfield High by only one stroke. John Skufca shot the lowest score for the Feitshans team by posting a 70. Congratulations on a city title! This year's team is led by Bob Felber and will compete in the District Tournament in May.

# GIRLS' ATHLETIC ASSOCIATION

The definite aims of G.A.A., under the direction of Miss Daly, are to advance the standard sportsmanship, to promote individual participation in all activities, to encourage and further physical, mental, and social development, and to develop a unity of school spirit. In order to get a letter the girls must participate in a certain number of games in a particular sport. These sports are softball, basketball, and volleyball.

We have enjoyed cokes at the Diana, the exciting football and basketball games, the annual carnival, the proms (those were the nights we went high-stepping), and the banquets during our Junior and Senior years. Most of all, we are going to miss the friendly atmosphere of our buddies and classmates. We take everything back that we thought in vain about F.H.S. and its wonderful student body.

We wish, above all, to express our thanks to the faculty that has helped us so much to obtain our goal.
